

Who are they? Five genuine down-home musos bent on striking a blow for the regular guy. **Sounds like:** A blend of roots, rhythm and rebellion based in old-fashioned bluesy rock'n'roll. **Best known for:** Remember the Bee Girl? Blind Melon do, and they wish they'd never set eyes on her. **Catch this:** The edgier, more aggressive *Soup*. If you want to win an exclusive, not available in Oz copy of the first CD single, *Galaxie*, just tick the coupon on page 79.
